

# Cushion Station<sup>TM</sup> Mats

## Anti-Fatigue Mats • Wet Area • Indoor

Cushion Station anti-fatigue mats feature nitrile foam designed to withstand grease, oil, and chemicals. They are anti-microbially treated to prevent odors and available with or without holes for use in wet or dry areas.

- **Comfortable** – 7/16" nitrile foam provides excellent anti-fatigue properties
- **Clean** – Anti-microbial treatment provides lifetime protection from odors and degradation
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- **Versatile** – Grease/oil proof; chemical resistant; welding safe
- **Easy to Clean** – Flexible construction makes this mat easy to clean; can be autoclave sterilized
- Available with drainage holes for wet area application
- Cushion Station mats meet FDA and USDA standards for non-contact surfaces and are manufactured to meet the standards for food processing and food preparation areas
