

Hog Heaven® Impressions Mats

Logo • Anti-Fatigue Mats • Indoor

Hog Heaven Impressions mats feature the same excellent anti-fatigue qualities of a standard Hog Heaven mat but can be customized with your logo or message.

- **Comfortable** – 5/8" high-density nitrile-blended cushion helps eliminate pressure to the lower back and legs, providing superior comfort
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI); edges will not crack or curl and provide a safe transition from floor to mat
- **Durable** – Nitrile-blended cushion provides years of useful service life; cushion is molded, not glued, to the nitrile rubber surface so it will not separate
- **Versatile** – Nitrile rubber surface is welding safe, grease/oil proof, and chemical resistant*

*Please note that the polymetric film with your logo/imprint will be less resistant to elements than the mat.
