

# WaterHog® Forklift Mats

## Specialty Mats • Indoor/Outdoor

WaterHog Forklift mats effectively remove moisture and dirt from forklift wheels to minimize tracking and potential slip hazards. They are ideal for use in areas where forklifts enter and exit buildings.

- **Durable** – Reinforced rubber nubs, backing, and fabric top are designed to withstand forklift traffic up to 14,000 pounds
- **Clean & Dry** – Bi-level surface removes dirt and moisture from wheels and trap it to minimize tracking
- **Easy to Install** – Mats are easy to install and scalable for large applications; aggressive adhesive taping system (sold separately) keeps tiles from moving
- **Eco-Friendly** – Rubber backing contains 20% post-consumer recycled rubber from car tires; PET surface is made from at least 90% recycled content reclaimed from plastic
- Available in 6 colors with 100-mil SBR smooth rubber backing

## 3/8" Product No. 1253

Size (ft.)	Product Weight
4' x 6' tile	15.1 lbs.

Please note, mat sizes are approximate as rubber shrinks and expands in conjunction with temperature and time. Tolerable manufacturing size variance is 3-5%.

## Product No. 1049 - Double sided tape

Size: 3" x 108"  
32' of tape required per tile.
